

ACCOUNTANT'S COMPILATION REPORT

BANNOCKBURN HOMEOWNER'S ASSOCIATION

I have compiled the accompanying balance sheet of the Bannockburn Homeowner's Association as of December 31, 2010 and the related statement of income for the month ending December 31, 2010, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of the Board of Directors. I have not audited or reviewed the accompanying financial statements and accordingly, I do not express an opinion or any other form of assurance on them.

The Board of Directors has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared in accordance with generally accepted accounting principles. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Association's assets, liabilities, equity, revenues, and expenses.

It is the Association's policy is to prepare its financial statements on the basis of cash receipts and disbursements; consequently, certain revenues and related assets are recognized when received rather than earned, and certain expenses and purchases of assets are recognized when the cash is disbursed rather than when the obligations are incurred. Accordingly, the accompanying financial statements are not intended to present the financial position and results of operations in conformity with generally accepted accounting principles. Accordingly, these financial statements are not designed for those not informed about such matters.

I am not independent with respect to the Bannockburn Homeowner's Association.
